The School Council has voted that the voluntary contributions remain the same as 2015. **The cost for 2016 will be \$35.00 per child or \$60.00 per family.** The school relies very heavily on the funds generously given by all families. At Minmi Public School our students achieved well above state average in NAPLAN literacy due to these resources. Any families experiencing financial hardship, may pay by instalments or if you require financial assistance please do not hesitate to contact the school office for an Assistance Form. **All enquiries remain confidential.**

Kind Regards
