Dear Parents/Caregivers,

At this time of year, schools are beginning to plan for the next year. The Department of School education requires schools to submit enrolment projections to ascertain staffing for the following year.

To assist us in the task, would you kindly provide the school with the names of your children who will begin school next year (2016) and the following two years (2017 and 2018).

To be eligible for enrolment in Kindergarten, children must be aged at least 4 years and 6 months at the start of the school year – i.e. they must turn five (5) by the 31st July in the year they start school.

Please pass on this information to friends or neighbours with eligible children to start school in 2016, or please encourage them to contact the school.

Thank you for your assistance.
