## TERM 1 INTERVIEWS
## 2019

Dear Parents,

Minmi Public School Staff would like to invite parents to an end of Term 1 interview to discuss the progress of your child. This interview is also an opportunity for you to decide on some goals for your child together. Please find below the times that your child's teacher is available for interviews over the week of the 25th March to 29th March (Week 9).

Each interview will last approximately 10 minutes. If further time is needed and/or other issues need to be addressed, another time can be negotiated with your child's teacher.

If interview times cannot be kept, please ring the office to cancel and/or book another time. If there is not an appropriate time listed below please contact your classroom teacher to negotiate an alternative time.

It is suggested that parents should organise preferred interview times as soon as possible to avoid disappointment. Please indicate your preferred times and return the attached sheet to your child's teacher. A confirmation slip will be sent home with the designated interview time.

Kind Regards
**Ingrid Bellamy**
**Principal (Rel)**
